

Job title:	Production Engineer
Department:	Operations
Reports to:	Production Engineering Manager
Responsible for:	NA
Location:	DEW
Hours of Work:	37hrs, 5-day week, 7 to 3.30 Mon–Thu, 7 to 12 on Fri
Closing date:	19/08/2024

Our values:

We are part of the Terberg Environmental Group that has roots going back to 1869, part of the larger Terberg Group that is still family-owned. With family values at our core, we operate honestly and with integrity. We aim to represent our core values in all areas of our work. Our core values are: Customer Focus, Entrepreneurial Spirit, Flexibility, Innovation, Integrity, Quality and Sustainability.

Job Purpose:

To maintain and improve production processes and implement new technologies to improve working practices.

Main Duties and Responsibilities:

- Identify and resolve production bottlenecks.
- Introduce new processes and products.
- Introduce new technology to improve productivity and quality.
- Identify and realise material/labour saving initiatives (VAVE).
- Support prototype and proof-build activities.
- Creation and maintenance of build instructions, process control documentation and databases.
- Help resolve manufacturing issues through liaison with relevant departments.
- Work on specific projects defined by the Production Engineering Manager.
- Effective project participation and representation.
- Ensure compliance with Health, Safety & Environmental procedures & requirements.
- Support of Blackpool and USA sites where necessary.

Quality & Environmental Responsibilities:

Responsible for the management, compliance and upkeep of the quality & environmental procedures, records, and documents relevant to the role.

At Dennis Eagle we are proud to be an equal opportunities employer and a disability confident organisation. We are committed to fostering an inclusive workplace where diversity is celebrated. As part of our dedication to creating a supportive environment, we guarantee to interview all disabled applicants who meet the minimum criteria for the vacancy. We invite you to engage in an open conversation with us about how we can best support you and ensure that your unique skills and talents are recognised and valued. Your success is

integral to our collective growth, and we look forward to working together to create a workplace that empowers everyone to thrive.
